ROYAL BRITISH LEGION (BAR HILL)

At the last meeting held at the farmhouse we welcomed more new members and their help probably helped us raise even more money for Pappy Day this year, the final sum being £1,019.69 which is approximately 20% up on last year.

May we thank everybody who contributed and mention that all proceeds go to assist ex-service veterans and their dependants, not only for wars long ago but for recent conflicts such as the Falklands, Ireland, Aden and Borneo. Once again, thank you all very much.

At November's meeting the Christmas Alms for the village were allocated and we hope that it assists the beneficiaries, but we would also appreciate villagers advising us of any deserving cases that may qualify for any form of assistance for the Legion. Please contact Jack Fleming on Crafts Hill 81917.

In order that we can get 1987 off to a cracking start, we are holding a NEW MEMBERS NIGHT at the Farmhouse on Thursday 11th December at 20.15 hours, so come along and join in time for Christmas: "Bratties" and Gluhwein will be provided.

The next meeting will be held at the Farmhouse, by the School at 20.15 hrs. on Thursday 4th December and the agenda is as follows:-

1. Opening
 2. Secretary's report and correspondence.
 3. Treasurer's report.
 4. Poppy Day de Brief.
 5. Organisation of New Members Night.
 6. Organisation of Group Meeting in January.
 7. Alms.
 8. Invitation to Longstanton Branch to Amalgamate.
 9. Participation in 1987 Bar Hill Celebrations.
 10. A.O.B.
 11. Close.

Bar Hill Residents' Association Information Booklet which will be the 21st Anniversary of Bar Hill Special Edition is being produced by the Residents' Association. The Residents' Association is non profit making, any profit made goes to the benefit of the Village. The booklet has been produced at intervals by us in the past to keep people informed on clubs, societies, shops and services available to them. It is produced by village residents for village residents voluntarily. It has been brought to our notice that a similar booklet is being commercially produced by a village resident/businessman. We wish to make it clear that we are not associated with this in any way. It is entirely a commercial venture and not to the financial benefit of the residents. We would like to thank all the advertisers who have stayed loyal to us.

THE ROYAL BRITISH LEGION POPPY APPEAL

May I extend my very sincere and grateful thanks to everyone who gave so generously of their time and money to raise £1,019.69 to send as Bar Hills' contribution to the Royal British Legion Poppy Appeal this year. Thank you!

J.E. Adams, Poppy Organiser

PARISH COUNCIL NOTES

A meeting of the Parish Council was held on Thursday, 20th November at The Old Farmhouse.

Kitchen Range Foods - A plan was presented to the Parish Council, showing a fence, to be erected by Kitchen Range, which will run between their two buildings and parallel with the perimeter road. Kitchen Range are in negotiation with the Parish Council to erect gates across Viking Way which would contain their premises.

Village Map - The siting of a Village map was discussed at some length. It was felt that it should be sited at the end of the Mall, but this will be decided at the next Planning sub-Committee meeting.

Tesco Liaison - It was reported that co-operation between the Tesco Management and the Parish Council was, at present, very good and it is anticipated that this will continue.

Bus Shelter - Little Meadow - Quotations are to be obtained for this structure to be built.

DAVE AND GERRY'S DISCO

At the time of writing we have just had our first "JAZZ/FUNK" (or is it Funk/Jazz?) disco. This was put on at your request and although we could have done with more support we were glad to see our regulars there. Never mind we held our own (at least Gerry did).

Our next extravaganza is really something special and I in particular, really need your support. 12TH DECEMBER is the date and it's my birthday - so I'm hoping for a well supported party night. You may bring presents if you wish (I'll be sitting under the 3rd table on the left). As I may be leaving the village in the New Year I would like to go out with a "bang".

We have booked "T.N.T." (Tom-n-Ted) for the night and the disco will be more conventional but with more light effects. Advertising will be heavy, so tell your friends.

Gerry and I, in particular, and all those who help to put on our discos, would like to wish all our supporters a very Merry Christmas and lots of good things for 1987.

Dave.

GUY COMPETITION

Won by *Matthew Gilkes 7-11 group and Michelle Chubbuck 5-7 group. Well done to the winners and well done to all those who entered their Guys. Thank you to P.C. Turney for judging the Guy Competition, it was hard to find a winner.

Thank you to Martin Avery and Colin Burlton for all the time they gave in setting up the lovely display of fireworks. Also, our thanks to those who helped set them off making it safe for all of us.

It was unfortunate that someone put some CO2 canisters on the bonfire which made it dangerous for anyone to go near but I'm sure that it was a night enjoyed by all.

We had marvellous support from the Red Cross to whom we send our grateful thanks.

Thank you to everyone who donated money in our buckets for the fireworks, we raised £204.30.

The winner of the Guy Competition Matthew Gilkes aged 10 of Fieldview has for the last few months set up a stall at his house and proceeded to sell his toys, cakes and orange juice, unbeknown to his family, to raise money for the childrens ward for toys for Christmas and has raised the great sum of £28 to be donated by him. He is personally going to choose and give the present to the Ward after discussions with the Hospital.

WELL DONE MATTHEW.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNTY COUNCILLOR

Dear Resident,

An enquiry chaired by Mr. David Widdicombe QC, gives full backing in its report published recently to the present structure of local democracy, but makes 88 recommendations aimed at preventing abuse of local power and giving increased rights to minority representatives.

The report makes 88 detailed recommendations aimed at strengthening the democratic process in Local Government. The main ones include:

Amendments to the national code of Local Government conduct to make clear that Councillors should act within the law as sectional loyalties as well as private gain may create conflict with Councillors public duty.

Employees of local authorities should continue to be able to become Councillors in other authorities provided they are not employed at the rank of Principal Officer or above.

Local Authorities should be statutorily required to keep a public register of pecuniary and non-pecuniary interest of Councillors. A basic flat rate allowance for Councillors should replace the system of attendance and financial loss allowances. It should range from £1,500 to £4,000 a year, depending on the size of the authority. A statutory upper limit of 26 days a year on paid leave should be granted to public sector employees for council duties.

A requirement to appoint a Chief Executive, and a strengthened role with new statutory functions for the post.

Introduction of a statutory code of practice to ensure that appointments are made on merit in fair and open competition.

New powers for the Audit Commission in England and Wales to restrain local authorities from incurring unlawful expenditure and new arrangements for Scotland.

Changes to enable the Ombudsman to consider complaints direct from the public.

Amendments to legislation governing disqualification and surcharge.

I WOULD WELCOME YOUR VIEWS ON THIS.

Do you know the cost of Educating children at our local Primary School? These are the facts:

Cost per pupil in the financial year 84/85 - £525

Cost per pupil in the financial year 85/86 - £588

Added to this is £51 per pupil for playing fields, maintainance, insurance, home to school transport and other items, excluded are the debt charges and all Headquarters and Area Office Administration and support. The average cost across the County for 85/86 was £692.

If you wish to contact me for any reason telephone "Careline" Crafts Hill 80975 or write to Councillor John Reynolds, 4 Pettitts Close, Dry Drayton.

DISTRICT COUNCILLOR'S REPORT

The refuse collection for Christmas are as follows:- The men are on leave from December 25th to January 2nd., therefore there will be no collection on Tuesday December 30th, there will be a double collection the following Tuesday, 6th January 1987.

At the last planning committee it was agreed to liase with the County Council and other districts over community transportation. The County Council plans to employ a "transport broker", it is hoped to investigate the needs in the County for special community transportation and help promote individual schemes.

Finally, may I thank all those so generous in my fund raising for the patient care fund at Papworth Hospital, to the ladies from the golf club in supporting the luncheon, bring and buy and raffle; and to those who bought raffle tickets at the asthma presentation in the evening. As a result I was able to present a cheque for £95 to Dr. Stark.

Robin M. Cruse

South Cambridgeshire District Council

CONSERVATION COMMITTEE

In recent weeks articles have appeared in the local press on matters of conservation, and with next year, 1987, being designated as the European Year of the Environment, no doubt more attention will be focused in this direction.

The Conservation Committee is currently involved in two particular projects:- one is at Willingham and the other is at Croxton.

The Committee has agreed to make a grant towards the cost of the restoration of Cattells Windmill in Willingham. This mill was built in 1828 and is considered to be its finest example of a "Smock" Mill still in existence in England today and it is hoped that with the completion of restoration, the Mill once again will produce its own flour.

Croxton Park Estate suffered many years of neglect and with the change of ownership, it was hoped that an opportunity had now arisen for the restoration of the buildings in the parish. The Committee served 21 building preservation notices and arranged a Parish Tree preservation order and requested a large area of the Park (including a medieval village site) be scheduled as an ancient monument. In consequence of pressure from the Committee, plans have been submitted for the restoration of these old dwellings and it is hoped that the village will be virtually restored to its previous beauty.

The Conservation Committee is working to maintain all the rural aspects of this area so that the heritage of Cambridgeshire Villages may be preserved.

All babies under one and their mums/dads are very welcome to 'Under Ones' which is meeting every Tuesday morning with the exception of December 30th. Expectant mothers are welcome too! BAR HILL ALLOTMENT AND GARDEN SOCIETY

As the main growing season draws to a close there is not much to report except to remind those who have not renewed their plot rental to do so as soon as possible. Plenty of plots are available for newcomers at a starting price of £1.00.

The shop will be open the first Sunday in every month from 11.30-12.30 throughout the winter months,

We few on the committee would like to take this opportunity of wishing all our members a merry Xmas and a happy New Year.

DATELINE BAR HILL NOVEMBER 1986

You may well have heard of that shadowy group, the Fermenters. To give them their full title the Bar Hill Brewers and Fermenters Guild. This is the Via Devena Chapter of E.S.O.S.S.I.G.S. (English Society of Strange Substances In Garages and Sheds.)

Well, stand back, they are coming out of the closet (or in some cases airing cupboard) and going public. It is reported that in the last year this group of ne'er do wells have had two film shows, a pub games evening, wine and beer competitions, a New Year Party and a Barbecue (anyone remember the pineapple?).

Unfortunately it has come to their attention that there may be prospective members in the village who have never heard of them. So they are requesting that anyone with an interest in brewing or fermenting whether using high-tech techniques or an old bucket and doesn't take it too seriously would join them at the White Swan at Connington on Tuesday 9th December for a not at all serious pub games evening. Excellent food will be provided at a small cost per head.

If you want to come please give me a ring on CH 81613 and I'll try and answer any other queries you may have.

Nick Jones (Secretary)

P.S. Present members will be getting their normal leaflet and could they have their £1.50 ready on the 9th.

REPORT ON THE PUBLIC MEETING HELD AT THE CHURCH CENTRE ON 27TH
OCTOBER TO DISCUSS THE FUTURE OF BAR HILL AND THE COUNTIES STRUCTURE
PLAN

Over 100 people attended the Meeting called by the local County Councillor who first addressed the Meeting, then the Chairman of the Parish Council, Mr. Roger Hall, asked for questions and comments.

The main points emerging from the Meeting were as follows:

HOUSING

A unanimous agreement that there should be no further housing development outside the perimeter road. The meeting wished that Bar Hill should remain a village and accepted that it would be necessary to travel out of the Village to enjoy extra facilities.

EMPLOYMENT

The Meeting noted that Industrial development in the Village had changed in character and was now predominately warehousing.

HEALTH

It was suggested that the empty caretakers bungalow at the Health Centre could be converted to extend Health Facilities.

SHOPPING

Some comment was made of the need to increase variety and competition of shopping within the Village.

SPORT AND RECREATION

There was strong support that a Sports Hall if constructed should be situated within the Industrial Estate.

ENVIRONMENT

There was a call to improve the stream flowing through the Village by creating ponds or lakes as an attractive feature.

There were many other points made and Councillor Reynolds was asked to convey the views on development to the County Council's Structure Plan Steering Group, which he agreed to do.

SWAVESEY VILLAGE COLLEGE

We are rapidly approaching one of the busiest times in the College Calendar. Our reunion evening, when last years 5th year pupils return to receive their hard-won examination certificates, will have been closely followed by the pupils involvement in the musical "Grease" after which the acceleration towards Christmas begins. A keenly anticipated event during this period is always the traditional service of lessons and carols in King's College Chapel which is attended by senior pupils and some members of the Staff. This always is a very moving occasion and one which reminds us all of that unique opportunity in the year, at Christmas time, when families can really enjoy "togetherness" and we can all for a short time step off life's hectic treadmill.

With best wishes for a prosperous, peaceful 1987.

P. J. Talbott, Warden.

I should like to draw attention to all parents of under 5 year olds that they should have registered their child for school. Any parent of a child who will be 5 years old before 28th April 1987 should contact the School if their child is not already visiting the school on introduction visits, usually arranged through the child's playgroup, immediately as their child should start school next term.

Irene Abraham.
School Secretary.

BAR HILL ANNIVERSARY CELEBRATION

There is some difference of opinion about the number of years being celebrated during the weekend of 26-28th June 1987. For this reason the organising Committee feels that an explanation should be given.

There is a document dated 22nd March 1966 which confirms an order for the constitution of part of the parish of Dry Drayton as a new parish to be known as Bar Hill to take effect from 1st April 1966.

As this is when Bar Hill was first "put on the map" the Committee believes that 1987 should be a Twenty first celebration.

A PLEA TO RESIDENTS

The P.T.A. Committee are very concerned about the amount of dog excrement found on the Junior Playing Field, in the sand-pit and around the School premises generally. Despite numerous pleas to residents, the situation has not improved. The Committee therefore has written to the Governors of the School, the Parish Council, the District Council and Shire Hall in an attempt to find some solution to the problem.

Please, if you are a dog owner, exercise your dog away from the school playing areas, and also the childrens swings on the village green. There is plenty of land across the perimeter road where dogs can be exercised without causing offence. Please keep your dog on a lead when on or near school premises. OUR main concern is our childrens health and welfare!

BAR HILL BLOOD DONOR SESSIONS

May I thank you very much indeed for your part in the marvellous blood donor session in the village on Monday 10th November. This was an unqualified success and we were all very impressed by the way in which every section of the community rallied round to help.

In total 205 donors came to the session, of whom 64 were new donors and 21 came from the various firms and businesses in the Village. This is a tremendously encouraging start and we shall certainly visit again in May and November again next year.

May I ask you to pass on our thanks to your associates and friends who helped us in so many ways.

Bar Hill Community Primary School

The season of Christmas is fast approaching us and this means the end of some courses which have been running in the school. Of course the usual clubs and societies will continue to meet until the school closes for the Christmas Holidays on Friday 19th December.

During this 'slack' time, for us in the evening, the children at the school will be busy putting on various entertainments and many of you with children or grandchildren at the school will be visiting the building. I do hope that if this is your first time inside the school you will quickly see the advantages of coming along to participate in other activities. The staff at the school would always like to know if you have any particular skill or experience you would like to pass on to the children so do please let me know.

All the courses appearing in the diary this month will be held again next term. The five week courses will all start on Monday week beginning 19th January as will the Junior Gymnastics, Tumbling Tinies and Supple Sevens, the last three being ten week courses.

May I wish you and your families a very Happy Christmas and every good wish for the New Year.

Irene Abraham
